We visit a traditional glass blowers and cuckoo clock workshop at Breitnau this morning. We continue to the idyllic lakeside resort of Titisee, where we have time at leisure to stroll around the town or take a boat cruise. After lunch we visit Freiburg where we have an included guided tour of this famous old university city, dominated by the ruins of three castles perched high on surrounding slopes.

This morning we travel to France and visit Colmar, the capital of the Alsatian wine producing area. We enjoy time at leisure in this picture postcard town and you may choose to explore the colourful well preserved half-timbered houses in the old town, or visit the Unterlinden Museum, famous for the Insenheim Altarpiece. We continue to Turckheim with its delightful half-timbered houses and ramparts and you may choose to join our optional tour and tasting at a carefully selected wine cellar.

Day 4 Constance & Island of Mainau

Today we visit the historical town of Constance and on arrival we enjoy an included guided tour of the medieval old town. The rest of the morning is at leisure and you may choose to join our optional memorable boat trip on Lake Constance. We continue to the nearby Island of Mainau. Famous for its tropical plants, flowers and trees, the 'flower island' is one of the region's all-year-round attractions.
