The Art & Architecture of Barcelona & Dalí’s Figueres

6 days from £1,199  Departs 24th April 2017

Day 1
We meet at Birmingham Airport for our direct scheduled Monarch Airlines flight to Barcelona. On arrival we are met by our tour manager and transfer to the 4* Pere IV Hotel in Barcelona for a five night stay on half board basis.

Day 2
This morning we enjoy an included guided coach tour of Barcelona. Our first stop is Gaudi’s Parc Guell. Built between 1910 and 1914 and commissioned by Eusebi Güell who wanted to create a stylish park for Barcelona aristocracy, the park is a designated UNESCO World Heritage Site and although many of the original plans did not come to fruition, the park remains one of the most popular visitor attractions of the city. We will visit Gaudi’s home within Park Guell and then travel on to the church of La Sagrada Familia, Gaudi’s great unfinished masterpiece. Our afternoon guided tour at the Museu Nacional d’Art de Catalunya introduces us to one of the most important art collections in the city, including one of the greatest displays of Romanesque items and a Gothic collection from the whole of Spain and particularly Catalonia.

Day 3
Today we head to Figueres, the home town of Salvador Dali. On arrival we have a guided tour of the Museo Teatro, founded in 1974 and now the most visited museum in Spain. As well as housing works by the great artist, it is also the site of his mausoleum. On arrival back in Barcelona this afternoon we visit Museu Picasso. The collection, which includes more than 3,500 works, is strongest on Picasso’s earliest years, up until 1904, which is apt considering that the artist spent his formative creative years in Barcelona.

Day 4
We enjoy a guided tour of the elegant Eixample Quarter of Barcelona today. Designed during the middle of the 19th century by Ildefons Cerdà, the quarter is full of highly original buildings in the style of art and architecture known in Catalonia as Modernisme. During our tour we visit Casa Milà. Built between 1906 and 1910 and usually called ‘La Pedrera’, Casa Milà is Gaudi’s greatest contribution to Barcelona’s civic architecture. Casa Milà completely departed from the established construction principles of the time, and as a result, was ridiculed and strongly attacked by Barcelona’s intellectuals. We then visit the stunning Casa Batlló on the prestigious Passeig de Gràcia. Designed by Gaudi for Josep Batlló, a wealthy aristocrat, this extraordinary building was designated a UNESCO World Heritage site in 2005.

Day 5
Today we have a beautiful drive to Montserrat. Clinging to craggy mountains that rise to over 1,000 metres, Montserrat’s Benedictine monastery affords dramatic views over Catalonia. The rest of the day is at leisure in Barcelona.

Day 6
We travel to Barcelona Airport for our direct scheduled Monarch Airlines flight back to Birmingham.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
